MEMORANDUM NO. CCH 17-06

TO : Incoming 4th Year CS Students

FROM : 
Christine C. Hernandez, PhD
College Secretary

SUBJECT : Application for Graduation and Evaluation of Academic Requirements

For students with remaining 40 units academic load or less:

- 1) Submit your application for graduation on or before **30 June 2017**. The application for graduation is available online (www.science.upd.edu.ph) and maybe emailed to ocs@science.upd.edu.ph.
- 2) Your academic credentials will be evaluated and the result of which will be available on or before the start of registration for the 1st Semester 2017-2018. This will serve as the basis of your graduating status/priority for two semesters. Go to the Office of the College Secretary and request for "Computation of Curriculum Weighted Average". This is also available online via <http://science.upd.edu.ph/index.php/academics/ocs>. The computation will reflect courses completed and remaining units to be taken.

Thank you very much for your usual cooperation.
